Importance: High

Dear Karen,

Further to our telephone conversation last week, we are pleased to send you updated information on our Fairfield funds currently offered on EFG's platform:

(1) Fairfield Sentry Limited - (ISIN Code: VGG3299L1004) (status: soft close)

Fairfield Sentry Limited remains our flagship Fund with assets under management thru December 2006 of \$5.6 Billion. The Fund fared well last year with a net return of +9.38%. The Fund has a total of sixteen years of track record with only 13 down months since inception. In our efforts to keep you informed of latest developments of our funds, we would like to inform you that as of January 2007, the Fund is soft closed until further notice. Given the significant demand in the Fund during 2006, there is very limited capacity going forward, and as a result, any interest received in the Fund will be added to a waitlist.

Note: We would like to inform about capacity to the extent of \$3 million in Fairfield Sentry Ltd being made available as a result of redemptions placed by EFG Bank for March 1, 2007. We would like to check with you on any interest from your side to utilize a portion of this capacity in Sentry for March 1.

(2) Irongate Global Strategy Limited - (ISIN Code: KYG4948V1196) (status: open)

(3) Chester Global Strategy Limited - (ISIN Code: KYG209451049) (status: currently open)

Irongate Global Strategy Limited is part of our family of a fund of hedge funds with assets under management thru December of \$1,193.44 million. For last year, the Fund gained +14.68% (USD Class). The Fund invests in some of the industry's leading and most experienced hedge fund and risk managers. The Fund invests prudently in a group of established fund managers who have delivered strong returns over time and who are usually closed or are limiting additional capital contributions. Irongate provides superior access to these managers, and typically maintains a portfolio of between 45-55 managers across 9 strategies. Irongate is the sister fund of Chester Global Strategy Limited Fund. The assets under management thru December for Chester was \$1,912.36 million. The Fund yielded a positive performance for 2006 of +14.02% (USD Class).

(4) Fairfield Renaissance Institutional Equities Fund - (ISIN Code: KYG330141048) (status: open with limited capacity)

Fairfield Renaissance Institutional Equities Fund ("FRIEF") is one of our latest additions to our Fairfield Greenwich Group platform with assets under management thru December 2006 of \$212.4 million. Since the Fund's inception in March of

2006, FRIEF has yielded positive performance of +13.54%. James Simons of Renaissance Technologies Corp is recognized as a manager with a high pedigree of success and Renaissance is one of the pre-eminent firms in the hedge fund management industry. The Fund is a quantitative computer model-driven funds based on the same technology developed by Renaissance Technologies Corp., for their Medallion Fund; this fund was launched in 1989 and is now closed to outside investors.

Note: With regard to subscription capacity in FRIEF, given the high level of interest expected in this Fund, interests received in Fairfield RIEF are allocated on a first-come, first-serve basis, on the basis of subscription documents received at the Fund Administrator - Citco Fund Services (Europe) BV. At the present time, allocations are being added to the wait list of the Fund to be potentially considered for value date May 1, 2007.
